Re: Notice of Data Breach

Dear <<First Name>> <<Last Name>>:

Diversified Gas & Oil Corporation ("DGOC") writes to notify you of an incident that may affect the privacy of some of your personal information maintained by DGOC. While to date, we have no evidence of misuse of information potentially affected by this incident, this letter provides details of the incident, our response, and steps you may take to protect your information from possible misuse, should you feel it necessary to do so.

What Happened? On November 25, 2020, we discovered a portion of our computer systems had been infiltrated by a malware infection as a part of a cyber-attack. We immediately worked to remove the malware infection and launched an investigation, with assistance from third-party computer specialists, to determine the nature and scope of the incident. Our investigation has subsequently determined that certain information maintained by the company was subject to unauthorized access during the incident. Therefore, we conducted a review of the potentially impacted information to determine the type of information and to whom it related.

What Information Was Involved? The type of information potentially impacted by this incident includes your name, address, and Social Security number. We maintain this information in order to provide payment to you as a business partner, royalty payee, or recipient of other types of payment or benefits.

What We Are Doing. We take the protection and proper use of personal information very seriously. Upon discovering this incident, we moved quickly to isolate the incident, investigate all aspects of the incident with our third-party specialists, and we notified law enforcement. Additionally, we are reviewing our existing policies and procedures regarding information privacy. We are also notifying potentially impacted individuals, such as you, so that you may take steps to best protect your information, should you feel it is appropriate to do so.

Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud, to review your account statements, and to monitor your credit reports for suspicious activity. Under U.S. law you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

You have the right to place a "security freeze" on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a security freeze on your credit report. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below:

Experian	**TransUnion**	**Equifax**
PO Box 9554	P.O. Box 160	PO Box 105788
Allen, TX 75013	Woodlyn, PA 19094	Atlanta, GA 30348-5788

www.experian.com/freeze/center.html	www.transunion.com/credit-freeze	www.equifax.com/personal/credit-report-services

To request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five years, provide the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

As an alternative to a security freeze, you have the right to place an initial or extended "fraud alert" on your file at no cost. An initial fraud alert is a one year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the agencies listed below:
